3. Submit for Grade

Upload file(s) to SAM before submitting.

Unlimited Submissions.

Step 1: Refer to **1a: Download Files** and click the **DOWNLOAD ALL** link to download the files for the Project assignment. You will complete the tasks outlined in the **Instruction File** document using the Start File. Note that the **Start File** will download onto your computer device. The Start File is already named with your name. You will use the **Support Files** to complete the assignment.

Step 2: Refer to **2. Save Work to SAM** for the project file upload. READ the instructions and follow them as stated. Note the **Expected File Name** MUST be named accordingly to your name. If not, the file will not upload.

Step 3: Refer to **3. Submit for Grade** for the file submission. Click the Submit button. You're done!
